

CONFIRMATION MAY 2026

After being at Forsand, we drove Janette home and continued directly back to the hotel at Bryne.

There was confirmation on this day as well and the flags were raised.

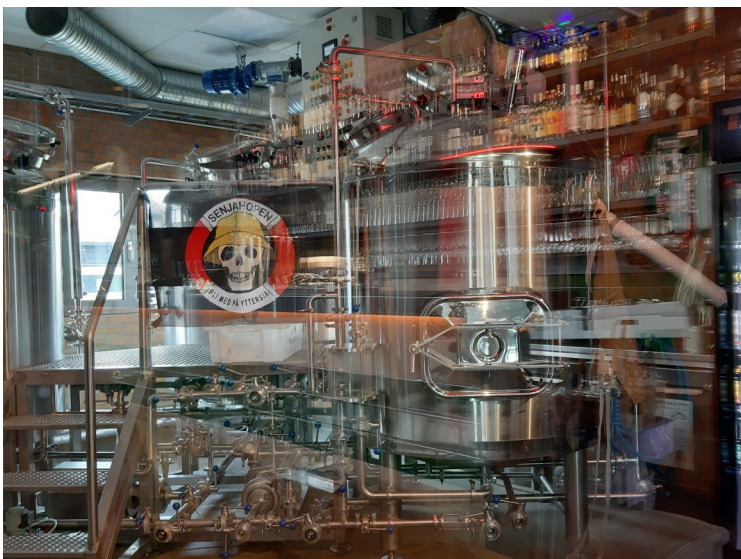

A band played outside the hotel.

In the evening we went to eat at Brix Brygghus. It produces the beer itself and you can look into the production from the restaurant.

The bar.

We were so early that there was hardly anyone there when we arrived.

A guest has sat outside. We ate fish and chips.

The view from the footbridge that crosses Bryneåna and Arne Garborgs road.

The next day traveled home. Along the way we spent the night at Tvedestrand Fjordhotell.

After we had checked in we had a beer and wine at the reception. Here there was a large picture of the actor Paul Newman.

Later we had dinner at the hotel. I had spareribs and Anne Berit had pan-fried cod. I thought my dish was OK, but Anne Berit thought the fish dish was far below par.

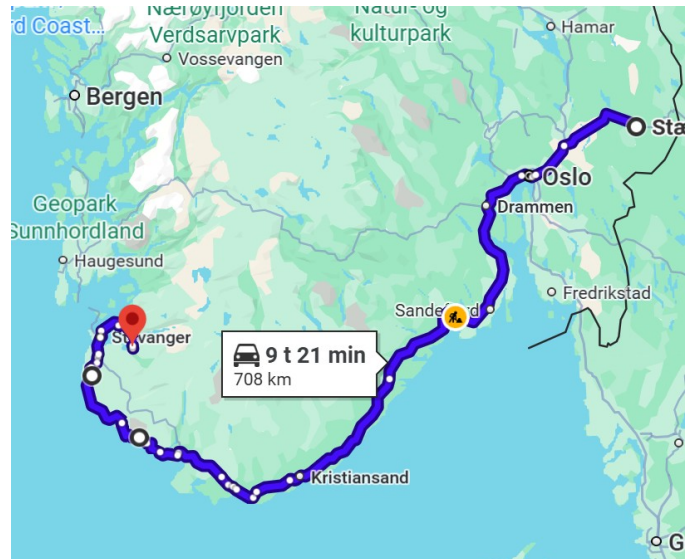

Also, the portions were so small that we ordered a very big shrimp sandwich to share for dessert.

Some pictures from the surroundings before we left for home.

This was the driving route both ways.
