

## CONFIRMATION MAREN 11. SEPTEMBER 2021

We were going to Maren's confirmation on September 11th. We preferred to travel the day before. We drove to [Dalen Parkering](#) and traveled with [Norwegian](#) from [Oslo Airport Gardermoen](#) at 15.00. The trip took 50 minutes and we were at [Stavanger Airport Sola](#) at 15.50.

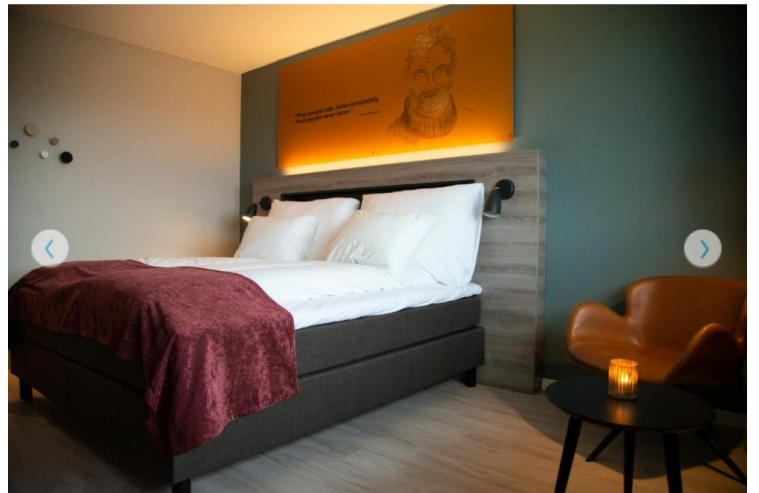

We had booked a rental car at Sola. We had ordered a Toyota Corolla from [Hertz](#). When we picked up the car, we got a bigger car for the same price. It was a [Ford Kuga](#).

This time we had booked accommodation at [Jæren Hotell](#).

It is located in the center of [Bryne](#).

The room looked something like this.

We had dinner at the hotel when we arrived. It has been a long time since we have seen Solveig and Geir Almås. They now live not far from the hotel, so we invited them to eat with us.

Here are some pictures from the room in the evening. The tallest building is [Bryne Mølle](#). It is an old mill now used for concerts and art exhibitions.

Here we look across the mill pond.

The confirmation was to take place in [Lura church](#).

The confirmands are ready.

The priest had a session where he was to represent an angel.

Then it was done.

After the church we gathered in a room on the second floor at [Noi](#) in Sandnes. The tables are ready.

We were assigned places.

There was a rebus competition and Hemming won a gold medal.

We checked out from Jæren Hotell the next day. Before we left for the airport to return the car, we visited Øystein. The plane returned to Oslo at 15.00.
