

## SLÅSTAD – APRIL 2021

The 26<sup>th</sup> of April we drove a little round to [Odalen](#), as shown on the map.

Here we have come to Bekkholtjernet. We see Føskerud on the other side of the lake.

The next stop is at the south end of [Dølisjøen](#).

Here there was a [merganser](#).

A [goldeneye](#).

Then we were at the south end of [Storsjøen](#). From here we drove to [Skarnes](#) and then home.
