

THAILAND, PATTAYA / JOMTIEN FROM AUTUMN 2010 UNTIL SPRING 2011

One day we went by taxi to a park called «The Million Years Stone Park & Crocodile Farm». The park was founded by a businessman, Khun Suan Phanomwattanakul. He has collected special items, like stones, plants and animals during 30 years, and from 1989 to 1992 he worked with the construction of the park, which opened the 1st of February 1992. Below follows a series of pictures, most of them without comments.

At the entrance.

Kjell is going to buy tickets.

Millions of years old petrified trunk.

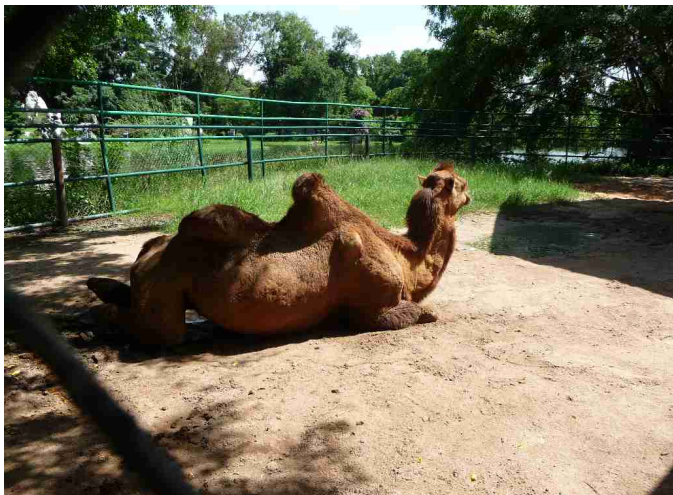

More trunks.

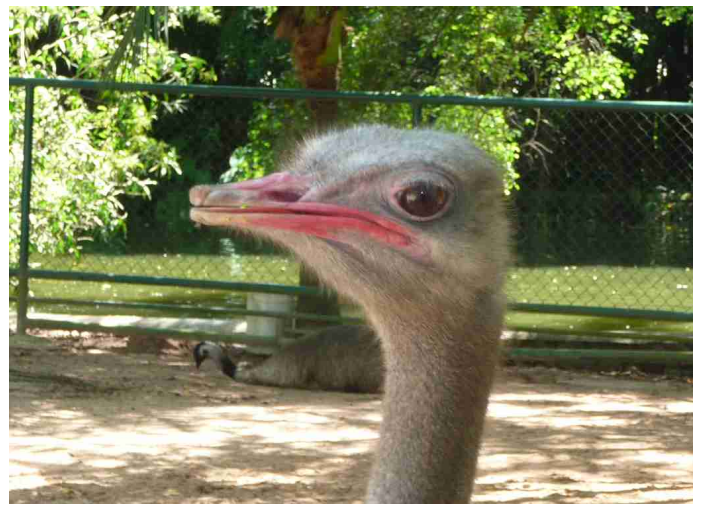

Temple.

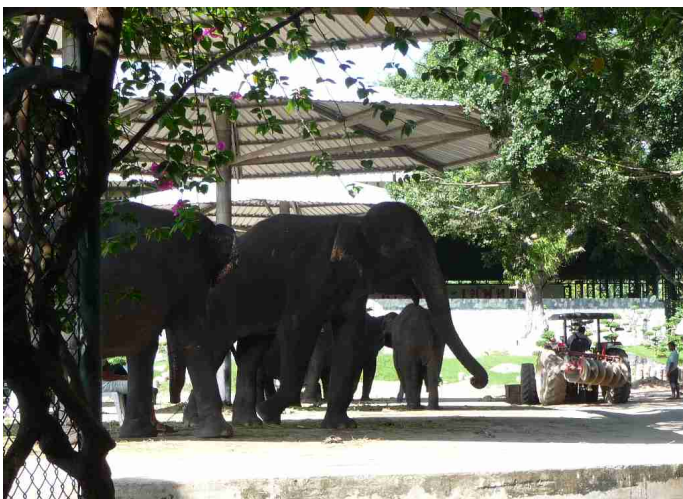

Eroded stones with «strange» shapes.

Finally a safe animal, a giraffe of wood.

A beer!!

Back at the taxi station.

The taxi driver. We were so pleased with his driving that we had to take a picture.
