

## SUNDELINS HANDEL THE 12<sup>TH</sup> OF SEPTEMBER 2020

One day we took a trip to [Sundelins handel](#) to buy some wine. The price of wine in Sweden is about half of what we have to pay in Norway.

Sundelin is located a few hundred meters on the other side of the border. We had ordered the wine on [Systembolaget](#) on Internet.

A few pictures from the trip.

Sundelin is located by this lake called [Røgden](#). The lake is regulated and a power plant has been built on the Swedish side of the border. Sometimes the sea is drained up to several meters. This day the water level was quite low.

Her we pass through [Svullrya](#), which is the largest community in [Grue Finnskog](#).

This is [Finnskogen Kro og Motell](#) in Svullrya.
