

TRIP TO SWEDEN JULY 2017

On July 9, we drove to Sweden to meet Paul Gäfvert, a relative of Anne Berit. The driving route.

We stayed at [Mössebergs Camping](#). It is situated in the outskirts of [Mösseberg](#) that is near [Falköping](#).

We had planned to visit him on Monday, but he came to us at the campsite on Sunday night. We were seated out all evening. In the end it became so cold that we had to give in.

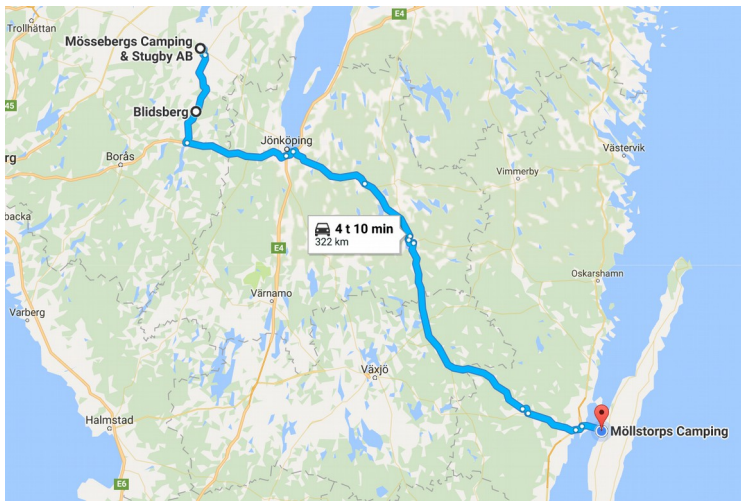

Charlie was also coming. We had bought 'dog snack' for him. It was so good that he ate everything.

Cabins on the site.

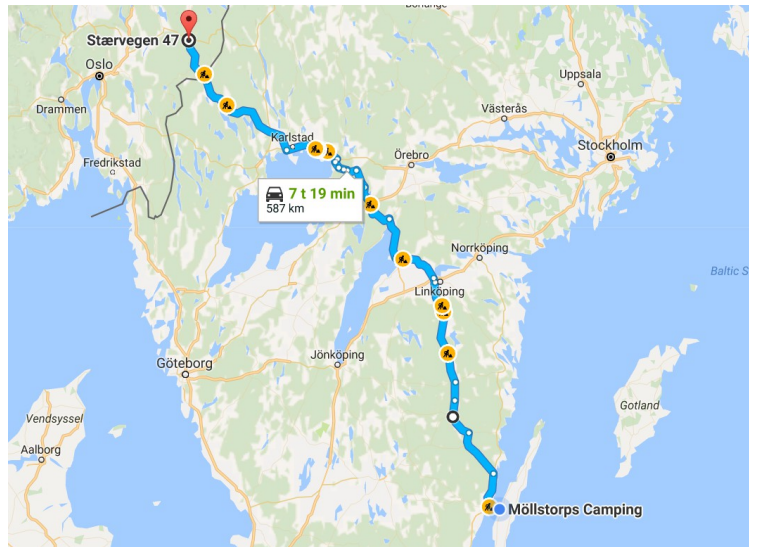

Here we are staying.

We stayed at [Möllstorps Camping](#), which is situated at the end of the [bridge](#) to Öland.

The next day we went to [Öland](#).

It was raining a little while we got there and it rained and it was windy the day afterwards too, so we no longer wanted to stay. We went straight home.

It is a quite big site.
