

## VIKER - BRANDVAL

The 4<sup>th</sup> of June we drove for round trip to Viker and home again on the west side of Glomma.

The driving route is shown on the map.

This is Søndre Viker farm. When we got as far as this, a sign with entrance prohibited, private road. We didn't want to visit, so we turned around. At Nordre Viker farm there are burial mounds.

We also took a picture of [Nugguren](#).

Along the road side were a lot of [lupines](#).

Here we are about to drive across the bridge at [Brandval](#).

Flowering [syringas](#).

This is at [Tufteparken](#) in [Kongsvinger](#).
